It is for Government to say whether the Asst Supdt's Court at Bangalore deserves to be raised to the 2nd class or not. Owing to the large accumulation of arrears in the Asst Supdt's Court at Bangalore, the Chief Court has been obliged to appoint a temporary Asst Supdt for a period of about 18 months. The necessity for the appointment of a temporary Asst Supdt will continue for some time to come. The Chief Court has therefore no objection to the Asst Supdt's Court at Bangalore being raised to the 2nd class, subject to the sanction of a temporary Asst Supdt being granted for a period of about 18 months. The Chief Court has also no objection to the sanctions as suggested by the Govt in the concluding part of this letter. The necessaries are noted in Rs as under below:

Increase to Asst Supdt's pay Rs 5-

The Registrar of the

To,

The Secretary to the
Government of Mysore
General & Revenue Depts.

Sir.

I have the honor to state that the Additional Munsiff of Bangalore has brought to the notice of this Court the inadequacy of his Establishment which is utterly unable to cope with the work of the Court. The Munsiff adds that the difficulty is aggravated by the work being greatly in arrears in almost every branch and that it is impossible for the present establishment to get through the arrears in addition

to

to the heavy current work. The Esta-
blishment was strengthened on the
recommendation made in this office
letter No. 2946* dated the 4th Novem-
ber 1897 but the Court was then
taken as a 3d class one. Since
the appointment of separate and
independent jurisdiction to the
Additional Munsiff, it is found
that on an average, there are 50
original suits and about the same
number of small Causes instituted
per month in his Court. The file
of the Court justifies its being
treated as a 2d class Court
for purpose of establishment.
I am therefore to request that
Government may be pleased to
sanction the establishment specified
in the enclosed Proposition Statement
which involves an extra cost of Rs 60
per measem which may be met from

the

the General Savings under the head "Law and Justice".

I am to add that even if it should be considered that the Additional Munsiff has not exercised independent jurisdiction for a sufficient length of time to enable this Court to decide whether the Additional Munsiff's Court ought to be ranked as a 2nd class Court, the increased establishment may be sanctioned until the end of the Official Year as a temporary measure, so that the arrears may be disposed of. Another report will, if necessary, be submitted in June 1899.

that the above arrangement be made permanent, as it is necessary for the proper working of the Additional Munsiffs' Court.

The Additional Munsiff exercises separate and independent jurisdiction over Six Talukhs, and his pecuniary jurisdiction has, in common with other Munsiffs, been raised recently. Besides, as stated in my letter No. 1893/60 dated 14th September 1898, the file of the Court justifies its being classed as a 2d class Court for purposes of Establishment. Series No. 48

The favor of early orders is solicited.
